**Pre-Solicitation Notice** – – Replacement of a government-owned parking area shade/weather protection structure

The Embassy of the United States of America in Lisbon intends to issue a solicitation for the services of a contractor to perform the complete replacement of a government-owned parking area shade/weather protection structure, including the car wash area. The job will entail removal of the current cloth-covered structures covering around 350 square meters of parking and carwash area, the preparation of the areas and installation of new parking area covers that are steel with a permanent rigid roof structure covering about 450 square meters of area. Both normal weekday and weekend work will be required.

Only companies specializing in this field of work should apply for a solicitation package.

Please be advised that firms need to be registered in the System for Award Management (SAM) [www.sam.gov](http://www.sam.gov) before the contract is awarded. If you require any additional information, please contact the Procurement Section.
